THANK YOU

HON'BLE PRIME MINISTER

SHRI. NARENDRA MODI JI

We, Shri Solapur Readymade Kapad Utpadak Sangh are honoured to be recognized as Solapur
The Uniform Sourcing Hub of India
by you and we assure you to make India
the world's largest uniform sourcing hub by 2040

SUBHASH DESHMUKH

MLA & Ex- Textile Minister - Maharashtra

It is a moment of immense pride for Maharashtra's uniform industry that the Solapur Garments Manufacturers Association, with the support of the Textile Ministry of Maharashtra, is organizing the 9th Uniform & Garment Manufacturers Fair – 2025 in Mumbai, the commercial capital of India.

This unique initiative — bringing together uniform garment manufacturers, uniform fabric producers, and fancy garment makers under one roof — has created a strong platform that continues to strengthen the identity of Maharashtra as a hub for quality uniform production. Hosting this event in Mumbai further enhances its reach and reinforces Maharashtra's leadership in the textile sector.

As the uniform segment remains largely untapped and full of opportunity, it is vital that we continue to promote India, and especially Solapur, as the World's Uniform Sourcing Hub, where buyers can access the complete spectrum from uniform fabrics to finished garments.

I firmly believe that the consistent efforts and vision of the association will carry this mission forward, helping Maharashtra and Solapur set new benchmarks in the global uniform industry. I extend my heartfelt congratulations to the Solapur Garment Manufacturers Association and wish the 9th SGMA Fair great success and meaningful outcomes for all stakeholders.

(Subhash Deshmukh)

SATHISH PAWAR

President

It gives me immense pleasure to share that Shri Solapur Readymade Kapad Utpadak Sangh is proudly organizing the 9th Uniform and Garment Manufacturing Fair – 2025 in Mumbai, the commercial and fashion capital of India.

As the only dedicated B2B platform focused exclusively on uniforms and related accessories, this fair has continuously made it easier for resellers to explore a complete range of products, from uniform fabrics to finished uniform garments, all under one roof.

Given that the uniform sector is still largely unexplored and holds tremendous untapped potential, it is the need of the hour to promote India — and especially Solapur — as the world's leading Uniform Sourcing Hub. This fair stands as a significant step toward strengthening that vision and showcasing the capabilities of our industry.

I am confident that the relentless efforts put in by our team will yield outstanding results. I extend my warmest wishes to all stakeholders for a highly productive, successful, and enriching buying and selling experience.

RAM VALLABHJI JAJU

Ex-President

It gives me great pleasure to share that Shri Solapur Readymade Kapad Utpadak Sangh is organizing the 9th Uniform and Garment Manufacturing Fair – 2025 in the vibrant commercial capital of India, Mumbai.

This exclusive B2B platform dedicated entirely to uniforms and related accessories has consistently empowered resellers by bringing together everything they need in one convenient and professional space.

As the uniform segment still remains largely unexplored and full of untapped potential, it is essential that we continue to position India — and especially Solapur — as the world's leading Uniform Sourcing Hub, showcasing a complete range from uniform fabrics to finished uniform garments.

I am confident that the sustained hard work and vision of the entire team will further elevate this mission and deliver outstanding results. I extend my warmest wishes for a productive, successful, and rewarding buying and selling experience for all stakeholders.

NILESH SHAH

Ex-President

It gives me immense satisfaction to note that Shri Solapur Readymade Kapad Utpadak Sangh is hosting the 9th Uniform and Garment Manufacturing Fair – 2025 in Mumbai, India's dynamic commercial hub.

This distinguished B2B platform, devoted exclusively to uniforms and their allied accessories, has continually supported resellers by offering a seamless space where they can access an entire spectrum of products with ease.

With the uniform sector still developing and rich with untapped opportunities, it becomes increasingly important to promote India — and particularly Solapur — as a premier global Uniform Sourcing Hub, presenting everything from innovative uniform fabrics to high-quality finished garments.

I am certain that the dedication, planning, and commitment shown by the team will take this initiative to greater heights. My heartfelt best wishes to all participants for a meaningful, successful, and mutually beneficial buying and selling experience.

AJAY RANGREJ

Fair Chairman

It is a matter of immense pride to share that Shri Solapur Readymade Kapad Utpadak Sangh is organizing the 9th Uniform and Garment Manufacturing Fair – 2025 in Mumbai, the energetic centre of India's trade and textile activity.

This well-established B2B platform, dedicated solely to uniforms and associated accessories, has played a pivotal role in simplifying the sourcing process for resellers by bringing the entire value chain together under one roof.

As the uniform industry continues to be an expanding sector with significant unrealized potential, it is vital that we strengthen our efforts to position India — and especially Solapur — as a global Uniform Sourcing Hub, offering a comprehensive showcase from fabric innovation to finished uniform solutions.

I firmly believe that the collective dedication and strategic vision behind this fair will lead to remarkable outcomes. I extend my sincere wishes to all exhibitors, buyers, and stakeholders for a fruitful, engaging, and highly successful business experience.

SRIKANT AMBURE

Fair Secretary

It gives me immense pride to announce that Shri Solapur Readymade Kapad Utpadak Sangh is presenting the 9th Uniform and Garment Manufacturing Fair – 2025 in Mumbai, a city that stands at the forefront of India's business and textile landscape.

This focused B2B platform, dedicated entirely to uniforms and their supporting accessories, has continually enabled resellers and buyers to explore a wide and organized range of products, making the sourcing process smoother and more efficient.

As the uniform sector continues to remain full of promising opportunities and largely untapped markets, it is crucial that we continue to showcase India — with Solapur at its core — as a strong and emerging Uniform Sourcing Hub, offering a complete journey from uniform fabrics to finished garments.

I am confident that the meticulous planning and sincere efforts invested in this fair will translate into excellent results. I extend my best wishes to every participant for a productive, seamless, and rewarding buying and selling experience.
